III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: www.fei.org.

We inform you that in a letter dated March 28th 1996, the Canton of Geneva stated its intention to apply the Federal Law regarding direct taxation and the Law of

FEI APPROVED DRESSAGE SCHEDULE GENEVA (SUI) 08-11 December 2016

taxation at source. These legal provisions concern all competitors in the CHI who do not have a Swiss residence permit. This means that on net winnings, after deduction of living expenses indicated on the final statement of account at the end of the competition, a tax rate of 0 to 25% will be applied, according to the total balance. Our Sports Financial Service (Finances Sportives) can provide additional information on this matter. An official declaration detailing the fiscal deduction will be given to each competitor concerned, together with his/her final statement. It will facilitate the recovery of this tax in his/her country of residence.

DETAILS

According to the relevant Swiss tax regulations the Organizing Committee has to charge the tax rates listed below from the income (prize money+refunding of any kind of expenses – acquisition costs or 20% as acquisition costs) of each rider.

The daily average income for individual riders is calculated from the total income during the event, divided by 5 (days).

ENTRY OF HORSES

Required health tests and vaccinations: Information below
Quarantine period: n/a
Specimen Import Licence applied: Information below

Please note the conditions to be met and the documents to be completed prior to importing horses into Switzerland for the period of the competitions.

Entry into Switzerland:

From France and other European Community countries (EC)

- FEI Passport

- Health certificate: Document TRACES or APPENDIX "II" of the Directive 90/426/ CEE

These three documents must be presented at the Swiss Customs' Office upon entry.

NB: for the temporary import of horses only occasionally crossing borders (Attractions, etc.) our Customs Agent can obtain – for the period of the horse show only – a customs permit, in lieu of the ATA Carnet, at a significantly reduced cost. Should you be interested in this solution, please contact Mr. André Barthassat at FERT & Co. Tel. +41 79 659 80 54 or a.barthassat@fert.ch, by November 21, 2016 at the latest. Establishment and discharge of a customs permit: CHF 350.- per case, per competitor.

From other countries (outside the EC)

- FEI Passport
- ATA Carnet mandatory: **Mandatory**
- Health certificate (form 95/23)

These three documents must be presented at the Swiss Customs' Office upon entry.

NO veterinary inspection at the border for horses with an ATA Carnet.

When filling in the ATA document (provided by the Chamber of Commerce), do not forget to mention details of equipment accompanying the horses.

Custom papers, ATA Carnet and custom permits must be presented at the veterinary inspection.

In case of problems with pre-issued ATA Carnets which need to be amended, the official customs agent FERT & Cie will charge CHF 50.- for entry into Switzerland and CHF 50.- for return into the EC. This fee is to be paid directly to FERT & Cie, through the Finances Sportives of the CHI.

Please remember that horses arriving with ATA Carnets must be presented to the French customs and then at the Swiss border to the FERT & Cie's, Mr André Barthassat (Tel. +41 79 659 80 54).

Departure from Switzerland:

The same documents must be presented at the Swiss Customs' Office when horses leave the country. The re-exportation should take place no later than 7 days after the end of the event.

The CHI official export veterinarian will provide a health certificate at the end of the event. CHF 30.- will be charged

Upon their arrival, each participant or their representative will immediately provide all details concerning their departure.

All documents needed for entering Switzerland (ATA Carnet, customs permit,

The time schedules for collecting the equipment from the stables and the departure of the horses will be indicated on the evening preceding departure.

Their departure should take place at the latest Monday, the 12th December, 2016, 7:00.

The Committee reserves the right to refuse payment of any additional costs or consequences that could arise due to receiving late information (later than Sunday, 11th December, 2016 at 10:00 for riders) of changes in departure plans.
